Questions?

www.eku.edu
I noted in my last report that Provost Zeigler and the Office of Human Resources helped me acquire a data set that contains information on faculty turnover. We also obtained some data from Institutional Research. One of the faculty members who was working on analyzing the data left the institution, and we have spent some time reconciling some inconsistencies across the data sets that were primarily due to differences in the way groups define faculty. Dr. Kerem Ozan Kalkan from the College of Letters, Arts, and Social Sciences has produced some initial analyses of the faculty turnover data, and I have generated some summaries of length-of-service data. Provost Zeigler and I would like to take the time to discuss the results with various stakeholders on campus in order to provide the Board of Regents with some context and thoughtful recommendations at the next meeting.

The Faculty Senate met via Zoom on November 6th, December 4th, and February 5th. Guests have included SGA President Camden Ritchie; Lauren Keeler and Dr. Lynnette Noblitt, who provided an update on the Faculty Grievances Regulation; and Dr. Bryan Makinen, who discussed reporting building issues.

Regent Marion, Vice Chair Blair, and I continue to have regular “Problem Solvers” meetings with the Provost. We last met on February 12th.

Vice Chair Blair and I are still serving on the 8KBY28 working group, which is drafting some initial plans for increasing the number of online students enrolled at EKU to 8000 by 2028. The group’s next meeting is on February 22nd.

Vice Chair Blair and I continue to read all of the comments received via the anonymous virtual suggestion box on the Faculty Senate website. We forward suggestions to relevant individuals or committees as appropriate, and we share the comments with Provost Zeigler and Regent Marion. Here are some topics of recent comments:

- Building maintenance
- Parking
- Drop/add and first-day-drops
- Class cancellation standards
- Compensation
- Benefits
- Commencement
- Faculty staffing issues
- General Education requirements
- AI detection software
- Prorating overloads
- Out-of-date web pages
- Admission standards
- Paperless contracting system
- Athletics bonuses
- Faculty receptions
- EKU Online course development and redevelopment
- Timing of progress reports and midterm grades
- Support for faculty concerns
- Rec center memberships for students whose schedules are partially online (on behalf of students)

Our Faculty Senate committees are starting to wrap up their work on their charges and will present their reports toward the end of the spring semester. In particular, the Executive Committee and the Rules Committee are working on the faculty portion of the employee handbook.

Thank you so much for your time.

Sincerely,
Lisa W. Kay
Chair, Faculty Senate
Staff Council Report for the Board of Regents 2.21.24

Thank you for allowing me to provide you with this written report on behalf of Staff Council.

I am happy to report that because of the elections held in November, we have filled our vacant seats on Staff Council. We are excited to welcome back Stephanie King and Tessie Bowman to Staff Council. Additionally, our new members are Ashton Chaffins, Heather Brent, Mikayla Estepp, Micah Hunsucker, and Polly Rose. We are excited to have everyone on board and look forward to the contributions our new members will provide. Staff Council will be hosting an orientation and retreat in place of our regularly scheduled February meeting so that our new members can review our current by-laws, work on committee assignments, and learn more about the history and mission of Staff Council.

In January, Staff Council partnered with Human Resources to host our first ever Staff Professional Development Conference, FOCUS on Eastern Excellence. We had 218 employees register for the event which shows the excitement and desire for the one-day conference. Sessions were provided based on the feedback we received through the annual Staff Council survey and included topics such as technology and workflow efficiency, cultivating powerful meetings with impact, and navigating employee challenges, to name a few. The keynote address featured EKU’s very own Coach AW Hamilton who provided a very motivational session on dreaming big. There was meaningful dialogue throughout the day and a wonderful opportunity to network with fellow colleagues. Based on the feedback we collected after the event, we hope to be able to offer this opportunity on an annual basis.

On Wednesday, February 14th, Staff Council is partnering with athletics to host an EKU staff appreciation basketball game. In the true spirit of Valentine’s Day, we are featuring Colonel Couples on the screen throughout the game so that we can highlight some of our wonderful employees who are together. We are also hosting an employee versus employee-scrimmage during halftime. Last year the scrimmage was a hit, so we are hopeful it will be a success again this year.

Thank you, Chairman Eaves, President McFaddin, and members of the board for your time.

Respectfully submitted,

2.8.24

February 2024 Board Report: Student Regent Ritchie

As we approach the end of the year many organizations start to slow down, but not the Student Government Association. For the last few months of the school year, all four branches of Student Government have a lot planned.

Our Campus Activity Board has many exciting events planned for our students such as safe sex bingo and our annual midnight breakfast; both of these events are really fun for students.

Our Student Senate is working diligently on legislation. There have been many pieces of legislation passed by the Senate that are going through the legislative process. At the time of writing, however, the only piece of legislation that has completed this process is a bill to notify students when flex is not working. The Student Senate is also planning our annual safety week which will be April 8th-12th and invites many civic leaders from the city of Richmond to speak to students about safety. The safety fair also includes our safety walk which will be April 10th. Finally, our Student Senate just created a new committee on bylaws to review and make recommendations regarding the Student Government bylaws.

Elections for the Student Government Association are currently underway, and our Student Court is working very hard to make sure that our election is safe and fair.

Finally, our executive branch has a lot planned for this last semester as well. Our engaging issues cabinet is planning two significant weeks that will spotlight mental health and diversity. Both events are partnering with different departments and organizations on campus. Mental health week is April 22nd-26th and diversity week is March 25th-29th.

The Student Government Association is finishing this year strong, and we are really excited to bring more opportunities to the campus community.

C. Additional Reports to the Board

1. Written Reports

      Dr. Kay submitted a written report to the board, which was included in the agenda.

      [The Chair adjourned for a recess at 10:46 a.m. The meeting reconvened at 11:05 a.m.]

   ii. **Dr. Caelin Scott, Chair of Staff Council**

      Dr. Scott submitted a written report to the board, which was included in the agenda.

   iii. **Mr. Camden Ritchie, Student Government Association President**

      Mr. Ritchie submitted a written report to the board, which was included in the agenda.

   iv. **Dana Fohl, J.D., Policies and Regulations Report**

      Ms. Fohl submitted a written report to the board, which was included in the agenda.

      President McFaddin gave an update on the Survey Regulation included in that report indicating that work has been suspended, and the group will pivot to begin working on developing a comprehensive institutional survey instrument that will be used on an annual basis to evaluate if the institution is moving forward.

2. **Dr. David T. McFaddin, President**

   President David McFaddin delivered the following report:

   As hard as it is to believe, the close of the 2023 Fall Semester is upon us. This academic year, I challenged our team to FOCUS: F: Finish What We’ve Started; O: Outcomes over Ownership; C: Communication; U: Understand our Why; and S: Shared Success. Many of the results of that FOCUS can be seen through many of the informational reports you have heard today. As a team, we are working hard to deliver the very best for our students, faculty, staff, alumni, and community partners.

   **2023 Best for Vets School**
Eastern Kentucky University (EKU) ranks first in Kentucky in the 2023 Best for Vets: Colleges. Additionally, EKU came in as the number four best college for military service members and veterans in Appalachia. In the spirit of celebrating our veterans, on November 4, 2024, we dedicated the EKU Veterans Memorial at Carloftis Gardens. Like the previous location in Powell Plaza, the new Veterans Memorial has a granite slate inscribed with the names of those who gave their lives while serving, a flag display, benches dedicated by veterans and their families, the Fallen Soldier Cross sculpture, and other features representing those who serve in the nation's armed forces. Additionally, the new location provides a more accessible, reverent, and appropriate space on campus to honor those who gave all.

Organizational Changes to Construction Management and Aviation

The Aviation and Construction Management programs have moved from the College of STEM to the College of Justice, Safety, and Military Science. The reorganization produces the following benefits for the programs and for EKU:

- Both Aviation and Construction Management will have a natural fit with the safety and security programs in CJSMS.
- Aviation and Construction Management will be included under the Program of Distinction (POD) banner, helping to further elevate their brands with the Council on Postsecondary Education and others within the State.
- The smaller number of Departments within CJSMS will help us to provide more focus and resources to these programs than in a college with a larger and more diverse portfolio of departments. They will be one of four departments in CJSMS as opposed to one of 8 units in CSTEM. This also benefits the programs in CSTEM by ensuring more college-level attention and support.
- EKU is the only University in Kentucky with both Construction Management and Occupational Safety degrees providing us an advantage in producing high-quality graduates for critical sectors of the Kentucky economy. Housing them together in the same college should provide advantages in fundraising and resource sharing.

EKU Legislative Day

EKU was pleased to host numerous members of the Kentucky General Assembly earlier this month. The visit included highlighting some of EKU’s signature programs including the Aviation Flight Simulator, the Fire, Arson and Investigation program and the Nursing Simulator. Not only were we able to highlight our programs, but we also were proud to showcase our students in a student panel. Having legislative members on our campus enables us an opportunity to prepare our legislators to better understand our mission and needs.

Spring 2024 Commencement

EKU announced last month that we will be moving the 2024 Spring Commencement to
the Alltech Arena at the Kentucky Horse Park in Lexington, Kentucky. Factors including Alumni Coliseum beginning under construction, weather, and seating capacity with other venue options on campus all played a part in the decision to relocate commencement. This decision was not made lightly, and we had this graduating class in mind as they were the class that didn’t get a high school graduation. For this reason, we want to ensure the very best graduation experience possible.

**EKU Named A Kentucky Best Employer by Forbes Magazine**

For the first time, EKU was named a Kentucky Best Employer by Forbes Magazine. Forbes partnered with market research firm Statista to survey 70,000 workers at companies in all 50 states and the District of Columbia. Participants were asked if they would recommend their employer to others, and to evaluate their employer based on working conditions, diversity, compensation packages, potential for development, company image, and more.

**Thanksgiving Dinner**

With Thanksgiving around the corner and recognizing the important role that our faculty and staff play in making EKU such a special place, the President’s Office and EKU Dining Services are hosting all EKU employees and their families to enjoy Thanksgiving Dinner at Case Dining Hall from 5-7:30 p.m. on Tuesday, November 21, 2023.

**Gift of Giving**

Manchester Campus Endowed Scholarship Fund: On September 12, 2023, EKU joined Senate President Robert Stivers and CPE President Aaron Thompson to launch a $1.5-million fundraising initiative to establish a scholarship for students attending the EKU Manchester Regional Campus in Manchester, Kentucky. The kickoff event raised money including a $100,000 gift from East Kentucky Power and its 16 Owner Member Cooperatives.

**City of Richmond Christmas Parade Grand Marshals**

The EKU Athletics program and I are proud to represent EKU as the Grand Marshals of this year’s City of Richmond Christmas Parade. This is another wonderful opportunity for EKU to collaborate with the City to reflect our town-and-gown relationship.

**Winter Advantage Schedule**

The EKU Winter Advantage Schedule begins the week of December 4, 2023, and will conclude on January 12, 2024. By enabling our employees to have a flexible 4-day work week during the winter session while students are away, we are once again reflecting our commitment to being the Employer of Choice.

With Thanksgiving a week away, I want to express my profound gratitude for everyone on this campus who works hard every day to create transformational experiences for our students. I also want to thank each one of our board members for your volunteer service to help lead our EKU into the next chapter of excellence. It is the people that make us the School of Opportunity and I am incredibly proud to have the opportunity to lead my alma mater.

3. Mr. Mike Eaves, Chair of the Board Report

Chair Eaves shared that the agenda included a meeting schedule for 2024 for approval, however he indicated that there were some conflicts with a few of those proposed dates. As a result, the board agreed to meet on February 21, 2024, and by that meeting he will propose additional dates to the board for a final vote.

The Chair indicated that along with University Counsel, Dana Fohl, they have been working on revising the board bylaws in an effort to make them reflect what board really does as some of those practices are outdated. He expressed that he hoped those would be ready for review by the February 21, 2024 meeting.

He expressed his thanks to Dr. Caelin Scott, Chair of Staff Council for her invitation to attend the staff council meeting that took place the day before, which gave him the opportunity to learn about those things that are important to the university staff.

He indicated that he will be meeting in December with all of the Department Chairs across campus and shared that he will report back on that at the February board meeting.
He reported that he and Dr. Sara Zeigler, Provost, have discussed evaluating how students are doing academically at the end of each semester and bringing that information to the board, rather than just looking at retention, enrollment, and graduation rates. He’s also asked her to include in her report how the university is utilizing our limited resources and making sure that students are aware and provided that information.

III. Action Items

A. Approval of Audit Report for FY Ending June 30, 2023

A motion was made by Regent Long to approve the audit report for FY ending June 30, 2023. The motion was seconded by Regent Tye. The motion passed unanimously by voice vote.

B. Approval of Consent Agenda

Chair Eaves indicated a member of the board had requested to pull item iv. Recommended Sabbatical Program Participants for 2024-25 from the Consent Agenda to be discussed and voted upon separately. He explained that the bylaws provide that any board member can request that an item be removed from the Consent Agenda and discussed separately. In addition, due to the conflict of proposed dates for 2024, that item will be deferred to the February 21, 2024 meeting.

The Chair then presented to the full board the remaining items, i.,iii.,v., and vi., on the Consent Agenda for approval. A motion was made by Regent Orange to approve those items on the consent agenda. The motion was seconded by Regent Ward. The motion passed unanimously by voice vote.

i. Approval of the Minutes for the Full Board Meeting on August 16, 2023, and the Special Called Meeting on October 16, 2023

ii. Approval of Regularly Scheduled Board Meeting Dates for 2024

iii. Approval of the Personnel Actions

iv. Recommended Sabbatical Program Participants for 2024-25

v. Approval of Policy Updates for Model Lab School

vi. Recommendation for Staff Emeritus

Chair Eaves then brought before the board, the Recommended Sabbatical Program Participants for 2024-25, as discussed. A motion was made by Regent Long to approve the slate for sabbaticals as presented with the caveat that the board directs the president and administration to review policy, compare to benchmark institutions and make necessary changes to ensure strategic institutional priorities and to reduce the financial impact to any one college in a given
year. The motion was seconded by Regent Babbage. The motion passed unanimously by voice vote.

C. Report from the Council on Academic Affairs

Provost Zeigler presented a report from the Council on Academic Affairs to the board which included curriculum proposals of a new program and the closure of others, however Provost Zeigler indicated that after a discussion with Dr. Ginny Whitehouse, Director of the School of Communication, and Dr. Mercy Cannon, Dean of the College of Letters, Arts, and Social Sciences, the proposal of a new program is withdrawn for this meeting as they wish to make some refinements and will bring it back before the board in February. A copy of the report is incorporated herein and will be included with the official copy of the minutes.

A motion was made by Regent Marion that the President and administration draft and/or revise the academic policy and/or regulations pertaining to academic program creation, closure, suspension, or elimination to include additional stakeholder notification and review including (or considering):

1. Involvement of the Provost and President early in the process; and
2. Board notification at the outset;
3. Final approval of the Provost, President, and Board; and,
4. That any recommendations include supporting materials to follow the recommendation through the process for full vetting and review; and

Upon finalizing the new or revised draft of the policy and/or regulation(s), present this policy and/or regulation(s) to the Board for consideration with demonstrated engagement with the Council on Academic Affairs and/or Faculty Senate.

The motion was seconded by Regent Ritchie. The motion passed unanimously by voice vote.

A second motion was made by Regent Marion to refer the matter of the closure of the History Master of Arts program back to the Council on Academic Affairs with a request that they act by voting on whether or not to close the program.

The motion was seconded by Regent Ritchie. The motion failed by voice vote.

D. Approval of Award of Honorary Degree for Dr. Aaron Thompson

President McFaddin addressed the board seeking approval of an honorary degree to be presented during the commencement ceremonies to be held in December to Dr. Aaron Thompson, President of the Council on Post-secondary Education, EKU Alum, and a native of Eastern Kentucky, who continues to fight for the power of education every day.

A motion was made by Regent Babbage to approve the honorary degree for Dr. Aaron Thompson. The motion was seconded by Regent Duerson. The motion passed unanimously by voice vote.

E. Approval of Resolution Recognizing Juan Castro

A motion was made by Regent Babbage to approve the resolution recognizing Juan Castro. The motion was seconded by Regent Ward. The motion passed unanimously by voice vote.

F. Discussion and/or Action Related to President’s Performance Evaluation

Regent Marion, Chair of the Ad Hoc Committee on Governance and Evaluation brought before the board an update and report which was approved by the committee that had met that morning prior to the board meeting. He stated that the committee had vetted the report to make sure it was an accurate reflection of the aggregate. A copy of the report is incorporated herein and will be included with the official copy of the minutes.

[The Chair adjourned for lunch at 12:15 p.m. The meeting reconvened at 1:08 p.m.]

IV. New Business

Chair Eaves indicated there was no new business to discuss.

V. Executive Session

Chair Eaves indicated that the Board required a closed session pursuant to KRS 61.810(1)(k) to discuss a business proposal where open discussion may jeopardize the business pursuant to KRS 61.810(1)(g). The Chair entertained a Motion pursuant to KRS 61.815 to adjourn to executive session. A motion was made by Regent Long. The motion was seconded by Regent Babbage. The motion passed unanimously by voice vote.

[The Chair adjourned for Executive Session at 1:09 p.m. The meeting reconvened at 1:41 p.m.]

I. Call to Order

A special called meeting of the Ad Hoc Committee on Governance and Evaluation, of the Eastern Kentucky University Board of Regents, convened on November 15, 2023, at 9:00 a.m. in Powell 229, Eastern Kentucky University, Richmond, Kentucky. Committee Chair Marion called the meeting to order. The roll was called, and a quorum was established.

Present

Dr. Jason Marion, Committee Chair
Regent Jeremiah Duerson
Regent Camden Ritchie
Regent Ashley Ward
President McFaddin
Board Chair, Mike Eaves

II. Information Items

A. Presentation on Presidential Evaluation and Assessment

Committee Chair Marion opened the meeting by mentioning that the group received the presentation prior to the meeting. A copy of which is incorporated herein and will be included with the official copy of the minutes.

Regent Ward commented that he felt it did a good job representing and reflecting fair and accurately and agreed that it could be presented to the board at large. Regent Duerson agreed.

Regent Duerson inquired if it was worth noting that the committee is trying to move the comprehensive process to the end of the academic year. Chair Marion indicated that was correct, and presumably at the end of the academic year, the President would share an annual report that would also allow the report for the institution. The committee would then be able to use that information to share with relevant stakeholders and would then solicit feedback. Once obtained that feedback would then need to be summarized in some form in an aggregate way that is reflective of all the constituent groups.
Regent Ward commented that an 80% response rate of the people surveyed was an increase from the prior survey and was important to emphasize that the vast majority of the people given the opportunity took advantage, responded, and commented as well.

B. Review of Board Self-Evaluation Process

1. Discussion on Proposed Procedures

Chair Marion indicated that the procedures that were rolled out last year are in place and before the next board meeting, they can survey or access our board members.

Chair Marion inquired of the committee if they felt they should continue to do a board self-assessment, explaining that it is important to the Associate Provost, that the board shows whether or not they are governing effectively whereas everyone employed by the university is accessed, and the board is encouraged to do their own.

Regent Ward indicated that he does not see a reason not to perform the assessment each year, and the committee agreed.

2. Identification and/or Selection of Questions for 2023 Annual Evaluation

Chair Marion indicated that the committee used the recommended AGB self-assessment questionnaire last year as a means for developing the evaluation with additional questions provided by Associate Provost Wies to help show alignment with the university’s strategic plan. The committee agreed that they should adopt the same survey used for the previous evaluation so the results can be compared year over year for an accurate assessment of the board’s progression.

University Counsel, Dana Fohl, who is working with the Board Chair at his request to revise the board bylaws requested clarification on how often the board shall perform a self-assessment. The current bylaws state that a board self-assessment shall take place on a bi-annual basis. To the point made earlier that the committee agreed the results would be reviewed annually, should the bylaws reflect that the board self-assessment shall take place on an annual basis with the board implementing as they see fit.

Chair Marion indicated that the statutes require the President, as well as the Provost, be evaluated every year, in addition, all faculty and staff are assessed in some way annually. He suggested that an annual board self-assessment would reflect leadership by example.

The committee agreed that the current language of the bylaws pertaining to a bi-annual board self-assessment shall remain with the understanding that it may be performed annually.

3. Implementation Steps to Executing 2023 Annual Evaluation/Assessment
Chair Marion addressed the committee regarding the implementation of the survey with a longer window allowing for reminders with the committee to present the results to the board by the February board meeting.

III. Action Items

A. Discussion and/or Action on Approval of Presidential Evaluation and Assessment for July 1, 2022 – June 30, 2023

Chair Marion called for a motion to approve the Presidential Evaluation and Assessment for July 1, 2022-June 30, 2023. A motion was made by Regent Duerson. The motion was seconded by Regent Ward. The motion passed unanimously by voice vote.

B. Discussion and/or Action on Board Self-Evaluation Procedures and Questions

Chair Marion called for a motion to approve the questionnaire, and that the current language of the bylaws pertaining to a bi-annual board self-assessment shall remain with the understanding that it may be performed annually.

A motion was made by Regent Ward. The motion was seconded by Regent Duerson. The motion passed unanimously by voice vote.

IV. Adjournment

There being no further business, Chair Marion adjourned the meeting at 9:19 a.m.

I. Approval of Degree Candidates for Spring 2024

II. Issue

The Board of Regents should formally confirm and confer the degrees for the candidates who have completed degree requirements for Spring 2024

III. Background

Candidates for degrees must meet the requirements of their respective academic programs. All degree requirements are verified by the appropriate Academic Departments and Colleges, as well as the Office of the Registrar, and recommended by the Provost and Senior Vice President for Academic Affairs for the Spring 2024 graduates. IV. Alternatives

While the conferral of degrees is vested in the Board of Regents, as these students have met the various academic requirements, the conferral of these degrees should be confirmed.

V. President’s Recommendation

Based upon recommendations from the appropriate Chairs, Deans, Office of the Registrar, and the Provost and Senior Vice President for Academic Affairs, the President recommends the formal confirmation of the Board of Regents of the conferral of degrees for Spring 2024 graduates who have met or will meet degree requirements with a conferral date of March 8, 2024, or May 11, 2024.

Early Graduation Program

Students who meet all applicable legal and Model graduation requirements shall be eligible for the Early Graduation Program (EGP) in relation to receipt of a graduation diploma and an Early Graduation Certificate. Students wishing to participate in the EGP shall notify the Principal in writing at the beginning of grade nine (9) or as soon as the intent is known, but no later than the first thirty (30) school days of the academic year in which the student intends to graduate.

704 KAR 3:305 defines “graduating early” as meaning a student who is “awarded a diploma from the district, in under four (4) academic years from the start of grade nine (9), based upon meeting the minimum credit requirements of this administrative regulation and additional requirements as may be imposed by a local board of education.”

A student shall not be prohibited from completing the EGP if the student meets all requirements. Students who enroll in the EGP and meet all applicable legal requirements shall receive a diploma and an Early Graduation Certificate.

A Letter of Intent to Apply shall be entered into the student information system by October 15 of the year the student intends to graduate. The letter of intent shall include a rationale for graduating early and a plan to meet the student’s ILP and all Kentucky and Model graduation requirements. The student and parent/guardian shall meet with the Advisor/Counselor and Principal to discuss the rationale, plan for meeting requirements, and postsecondary goals and career aspirations.

The Principal shall make a determination to approve the request to graduate early in consultation with the Advisor/Counselor and the Superintendent.

A student shall complete all requirements applicable to the academic year in which the student intends to graduate as established in administrative regulation by the Kentucky Board of Education.

Absences and Excuses

Pupils are required to attend regularly and punctually the school in which they are enrolled. Recording of absences and tardies shall be made in compliance with the requirements of 702 KAR 7:125.1

Truancy Defined

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) days or more, is a truant.

A student who has been reported as a truant two (2) or more times is a habitual truant.

For the purposes of establishing a student's status as a truant, a student’s attendance record is cumulative for an entire school year. When students transfer from one Kentucky school to another, attendance information from the previous school shall become part of their official attendance record for that school year.

Excused Absences

An excused absence or tardiness is one for which work may be made up, such as:

1. Death or severe illness in the pupil’s immediate family;
2. Up to four (4) days of college or university visits for each of the junior and senior year;
3. Illness of the pupil, including mental or behavioral health;

Students shall be granted an excused absence for up to ten (10) school days to pursue an educational enhancement opportunity determined by the Principal to be of significant educational value. This opportunity may include, but not be limited to, participation in an educational foreign exchange program or an intensive instructional, experiential, or performance program in one (1) of the core curriculum subjects of English, science, mathematics, social studies, foreign language, and the arts. Educational enhancement opportunities require, at the minimum, a five (5) day advanced approval and cannot be taken during testing.

Unless the Principal determines that extenuating circumstances exist, requests for date(s) falling within State or School testing periods shall not be granted.

The Principal’s determination may be appealed to the Superintendent/designee.

Students receiving an excused absence shall have the opportunity to make up school work missed and shall not have their class grades adversely affected for lack of class attendance or class participation due to the excused absence.

* After a total of ten (10) days of absence (full or partial days) have been excused by a parent note, students are required to present a written statement from a physician for each additional absence for the school year in order to be excused.

Exception to 10-absence rule: Parents/guardians of students with a chronic illness or disability shall notify the school in writing, accompanied by a physician’s verification. Special consideration may also be considered for (1) death or severe illness in the immediate family or (2) required court appearances.

**Notes Required**

Students returning to school following an absence must submit a parent/guardian or physician note within the first three (3) days of their return explaining the absence or the absence will permanently be marked as unexcused. The note must also provide the student’s name, grade, date(s) missed, reason, as well as the phone number of the parent/guardian or physician’s office/practice. Based upon the information received, the absence will be declared excused or unexcused in accordance with school policy. The same note guidelines and school policy apply to students checking in or checking out during the school day.

**Extracurricular/Athletic Activities**

Students who participate in extracurricular activities shall be present for all classes the day of the activity, practice, or competition, or the day prior if on a weekend or holiday (exemptions: school-sponsored field trip, up to two (2) hours with an excused physician note, college visits, other activity or event approved by the Principal).
Absences and Excuses

MAKE-UP WORK

When a student has an excused absence, students are given a minimum of one (1) week or the total number of days absent, whichever is greater, to complete any missed classwork. Student must confer with individual course instructors to complete make-up work.

High school students may apply and earn academic credit to be applied toward graduation requirements by completing virtual/online high school courses.

As determined by school policy, students applying for permission to take an online course shall complete prerequisites and provide teacher/counselor recommendations to confirm the student possesses the maturity level needed to function effectively in an online learning environment.

Credit from a virtual/online course may be earned only in the following circumstances:

3. The course will serve as a supplement to extend homebound instruction;
4. The student has been transferred to the school and needs the course credit to stay on track for graduation; or
5. The Principal, with agreement from the student's teachers and parents/guardians, determines the student requires a differentiated or accelerated learning environment.

The School shall recognize only those online courses that meet the international standards for online teachers, courses, and programs that have been adopted by the Kentucky Department of Education.

Online courses may be subject to review by the Superintendent/designee for conformance with Kentucky Academic Standards and graduation requirements. In addition, the express approval of the Principal/designee shall be obtained before a student enrolls in an online course. The school must receive an official record of the final grade before credit toward graduation will be recognized.

RE: Endowment Match Request

For the 2022-24 biennium, the Kentucky General Assembly approved a $10 million appropriation for the Comprehensive University Excellence Trust Fund (22 RS, HB 1). Eastern Kentucky University is eligible for $2,227,800 in matching funds for STEM+H fields. At least 50 percent of program funds must be endowed for the purpose of supporting chairs or professorships, or research staff and infrastructure that directly support the research activities of an endowed chair or professor. No more than 50 percent of program funds may be endowed for the purpose of supporting mission support activities or graduate fellowships or undergraduate scholarships.

We submitted the first request for $509,000 last fall and are now ready to submit a second request totaling $220,000. All the documentation for the second request follows. Thank you for your consideration to approve these requests.

WITNESSETH:

WHEREAS, the Donor desires to establish an endowment fund to support the mission of the University and the Foundation; and

WHEREAS, the University and the Foundation is willing to accept such an endowment fund in accordance with the provisions of this agreement,

NOW, THEREFORE, the parties agree as follows:

1. The Donor gives, assigns and transfers to the Foundation twenty-five thousand dollars $25,000 in cash or property acceptable to the Foundation, in one or more transfers in accordance with the provisions of this agreement. The Donor or others may at any time, by gift, bequest, or otherwise, make additional gifts to the Foundation to be added to this endowment fund and to be administered in accordance with this agreement.

2. The endowment fund established by this agreement shall be known as the Eastern Kentucky University Army ROTC Rendezvous with Destiny Endowed Scholarship.

3. Until such time as the endowment fund’s balance equals $25,000, the Donor and the Foundation agree that disbursement as defined by the Spending Policy will not be made. Once the $25,000 threshold has been met, and the fund has at least one year to accumulate sufficient investment growth and earnings, the scholarship will be awarded through the University Scholarship Office in
accordance with policies and guidelines established by the Foundation and the University according to the criteria as provided in Paragraph 4.

4. The Foundation hereby accepts such gifts and agrees to hold, manage, control, invest and reinvest such gifts in an endowment fund in accordance with policies and guidelines established from time to time by the Foundation and the University. Spendable disbursements from the endowment fund determined in accordance with spending policies established by the Foundation and University will be used for scholarship awards to students. One scholarship will be awarded to one student in the fall semester and one scholarship will be awarded to one student in the spring semester.

- A scholarship recipient will be determined to have exceptional military leadership potential as evaluated by the Colonels Battalion Scholarship Board or its successor student evaluation panels convened by the Professor of Military Science.

- A scholarship recipient will have a qualifying financial need as determined by the Eastern Kentucky University Office of Financial Aid and Office of University Scholarships.

- A scholarship recipient will be classified as an Army ROTC MS I or MS II cadet.

- A scholarship recipient will have a minimum cumulative Grade Point Average of 2.5.

- A scholarship recipient will attain a minimum passing score in the Army Combat Fitness Test or successor equivalent fitness test.

5. Final awarding authority rests with the University Scholarship Office. Should the recipient, at any time prior to the semester in which he/she receives the scholarship, cease to meet the stated criteria, the University Scholarship Office may revoke its awarding of said scholarship. The University Scholarship Office will make awards (and/or with appropriate recommendations of the appropriate University department) using the above standards.
6. The fund is subject to all Foundation Fund Administration Policies, Procedures and Guidelines, which will be provided to the Donor in writing.

7. In the event that the stated purpose of the Donor as described in this agreement can no longer be met or carried out, or it is impractical or inappropriate due to changing conditions, the Donor authorizes and empowers the Foundation in its sole discretion to utilize the endowment funds for such alternate purposes that may be deemed proper, provided the fund shall continue to be named as designated above and the amended terms shall adhere as closely as possible to the Donor’s original intent expressed in this agreement.

8. If the contributions to this fund do not reach $25,000 within five years from the date the Rendezvous with Destiny Endowed Scholarship was established, the Donor will be notified and given an additional six months to fully fund the endowment. If after five years and six months the fund is not fully funded, the fund will be closed and accumulated contribution(s) will be transferred to the Eastern Kentucky University General Endowed Scholarship Fund.

5. ("the Act"), shall secure and protect the Personal Information by, without limitation, complying with all requirements applicable to non-affiliated third parties set forth in the Act.

5.1. "Personal Information" is defined in accordance with KRS 81.931(6) as "an individual's first name or first initial and last name; personal mark; or unique biometric or genetic print or image, in combination with one(1) or more of the following data elements:

5.1.4. A driver's license number, state identification card number, or other individual identification number issued by an agency;

5.3. The Contractor agrees to cooperate with the Commonwealth in complying with the response, mitigation, correction, investigation, and notification requirements of the Act.

5.4. The Contractor shall notify as soon as possible, but not to exceed seventy-two (72) hours, the Commonwealth, the Commissioner of the Kentucky State Police, the Auditor of Public Accounts, and the Commonwealth Office of Technology of a determination of or knowledge of a breach, unless the exception set forth in KRS 81.932(2) applies and the Contractor
abides by the requirements set for in that exception. Notification shall be in writing on a 
form developed by the Commonwealth Office of Technology.

5.5. The Contractor agrees to undertake a prompt and reasonable investigation of any breach 
as required by KRS 61.933.

5.6. Upon conclusion of an investigation of a security breach of Personal Information as 
required by KRS 61.933, the Contractor agrees to an apportionment of the costs of the 
notification, investigation, and mitigation of the security breach.

5.7. In accordance with KRS 61.932(2)(a), the Contractor shall implement, maintain, and 
update security and breach investigation procedures that are appropriate to the nature 
of the information disclosed, that are at least as stringent as the security and breach 
investigation procedures and practices established by the Commonwealth Office of 
Technology.

5.8. The parties acknowledge that records, statistical information, and/or data provided by the 
Commonwealth to the Contractor are the property of the Commonwealth. In order for the 
Commonwealth to maintain control and integrity of its records, the Contractor agrees that 
any Freedom of Information Act request, Kentucky Open Records request, or other request 
seeking access to information or data provided by the Commonwealth will be reported to 
the Commonwealth, and if the requester will agree to do so, the request will be forwarded 
to the Commonwealth. If the requester will not agree to withdraw the request and instead 
submit it to the Commonwealth, then the Commonwealth shall direct the Contractor in 
answering the request.

6. In accordance with KRS 61.932(2)(a), the Contractor shall implement, maintain, and update 
security and breach investigation procedures that are appropriate to the nature of the information 
disclosed.

7. The Contractor agrees that it will not distribute, divulge, publish, or release any data or 
information obtained from or owned by the Commonwealth without the prior written approval 
of the Commonwealth unless compelled to do so by law or by a judicially signed order 
from a court of competent jurisdiction. The Contractor acknowledges that it receives the 
Commonwealth’s data or information solely for the purposes of this MOA, and that its receipt 
of the Commonwealth’s data or information in no way creates any ownership interest in the 
Commonwealth’s data or information, unless explicitly provided otherwise within the terms and 
conditions of this MOA.

8. The parties agree that they receive all information communicated between them before the 
execution of this MOA in strict confidence and that the receiving party, its agents, or employees

MOA will be rejected in whole or part at the discretion of the Commonwealth. The Commonwealth 
reserves the right to withhold payment in part or in whole for invoicing submitted by the Contractor 
that is not in accordance with the terms or conditions set forth in this MOA.

11. Contractor agrees that noncompliance with the terms and conditions within this MOA may result 
in delayed reimbursements, partial reimbursements, or no reimbursement if the Commonwealth 
is unable to substantiate the services rendered by the Contractor through the required 
documentation. Implicit in the submission of each invoice is a certification that the Contractor 
has included all supporting documentation for each charge; failure to include all supporting 
documentation constitutes cause to withhold payment. For all invoices submitted more than 30 
calendar days after the end of the final billing period of the applicable fiscal year, the Contractor
may be required to pursue payment under KRS 45.231, which shall be the sole responsibility of the Contractor.

12. The Contractor shall implement internal controls to ensure accurate billing and invoicing. In the event that the billing and invoicing error rate exceeds 10% of the total amount billed during a billing cycle, the Commonwealth may withhold the actual amount of the cost to meet its due diligence requirement regarding the mitigation of fraud, waste, and abuse through correct reimbursement of the Contractor.

13. In the event that the Commonwealth experiences a change in its budget status, Contractor agrees to renegotiate this MOA in good faith upon request of the Commonwealth.

14. At no point shall any Contractor personnel be considered an employee of the Justice and Public Safety Cabinet, for any purpose, including but not limited to unemployment, taxes, withholding, health insurance, liability, retirement, workers’ compensation, vacation, sick or other leave, the Family Medical Leave Act, accrued benefits, evaluations, or any other purpose. At all times, any such individual shall be considered and deemed to be an employee of the Contractor.

15. Nothing in this MOA shall be construed, in any way, as granting to any individual providing services under this MOA any of the claims, privileges, or rights established or recognized under KRS Chapter 18A or KAR Title 101.

16. No event shall any Contractor personnel be deemed to be a third-party beneficiary of this MOA.

17. Pursuant to the Executive Branch Code of Ethics, Kentucky Revised Statutes Chapter 11A, and in order to avoid conflicts of interest more generally, dual-status personnel may not manage or administer this MOA or any of its individual terms and conditions. Dual-status personnel is defined as any and all individuals who are employed by or receive a tangible benefit from the Commonwealth and the Contractor simultaneously.

18. Dual-status personnel shall be considered Commonwealth personnel and shall not be considered Contractor personnel for the purposes of this MOA, except for the terms and conditions of this MOA that apply to dual-status personnel by virtue of their dual status.

19. Attachment A is incorporated by reference and made a part of this MOA to the same extent and with the same force as if fully set forth in this MOA.

20. Each party shall provide a contact to resolve any and all issues related to this MOA and promptly update the contact information as necessary.

21. All notices under this MOA shall be given in writing. Electronic mail constitutes a writing.

22. No change, waiver, or discharge of any liability or obligation under this MOA on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.

Short Description: REQUESTING MOA RETROACTIVE START DATE

Will Personal Security Information & Breach provisions apply to contract per KRS 61.931? N/A

Purpose and Justification: The Department of Criminal Justice Training (DOCJT) is requesting approval for a retroactive start date for a Memorandum of Agreement (MOA), between DOCJT and Eastern Kentucky University (EKU), for goods and services provided by EKU. The requested effective dates for this contract are July 1, 2017 to June 30, 2018.
